### Proposed Regulation

**S.1.1.4.** Contrary to D11.2, if a Championship round is cancelled, or changes its date, due reasons of force majeure the Championship Organiser may arrange for an alternative event, or date for an Event, to be included in their Championship calendar. Subject to A.2.4. only two such changes will be permitted during the duration of that particular Championship and the proposed amendment must be subject to Motorsport UK approval and will only be permitted if all registered Competitors have been advised and less than 15% of the Competitors registered for the Championship object to the change in writing. Competitors failing to respond within 4 weeks will be considered to agree to the change.

**Date of Implementation:** Immediate

**Reason:** To provide a mechanism for Speed Championships to change the date of one round within their Championship with a lower percentage of approval than allowed for in Regulation D11.2.
