Section U – Karting

Proposed Regulation

Specific Types of Kart Licence

1.7.2. Kart Teams are prohibited from involvement in the Bambino Category time trials or race events with the exception of those specifically approved by the Organising Club/Championship. If approved the Team must -

- be the holder of a Motorsport UK Entrant Licence
- be in possession of valid Public Liability Insurance
- have at least the Team Manager with a valid DBS Certificate through Motorsport UK
- provide discounted space with assistance for a new Driver(s) at an agreed fee for, at least, the Driver's first Event(s)

For the avoidance of doubt, a Team is a commercial race company or racing team hosting Drivers in providing race services or covered accommodation and whether receiving financial gain or not where the principal is not also the PG Entrant Licence holder.

Date of Implementation: Immediate

Reason: Some Clubs / Championships have switched over to Super K-X have teams operating in the Bambino class – the wording above is consistent with Super K-X wording. Also with Electric Bambino some parents and drivers may require the assistance of a team. The proposal specifically permits Teams as approved by Clubs / Championships and these championships will be ensuring teams are suitably licensed and insured.
