### **Competitor Signing-On**

The Competitors Signing-On Declarations have been updated in line with NCR V10. Please make sure you are using the updated Declaration. This will be mandatory from 01 September 2025. You can find the updated forms in the [Resource Centre](#).

Please can organisers use the updated forms in the Resource Centre <https://www.motorsportuk.org/resource-centre/> and note the changes for their Entry Forms.

### **Event Finder – Permit titles**

When applying for a permit we advise all clubs to write the event disciplines in the title. This will ensure when searching for specific disciplines in the event finder, your event will be displayed.

For example – If Summer Swing is an AutoTest rename it Summer Swing AutoTest.
