Proposed Regulation

Chapter 4 Championships

Appendix 3 Car & Truck Championships

1. Car and Truck Race Championships

1.1 All Racing **Championship Permit** or **Series Registration** applications must be submitted by a recognised lead **Club**. No related discussion between the **ASN** and an applicant will be entered into without the express agreement of the lead **Club**. Subject to the authority of the **ASN (Chapter 1 Art.1.4)** only **Clubs** which have been Recognised by the **ASN** for more than two years are permitted to apply for a **Championship Permit**. The deadlines for **Racing Championship** applications are set out below.

1.2 A Notice of Intent to run or continue to run a Race Championship in the following year must be registered with the **ASN**:

1.2.1 1st August: Date by which a **Notice of Intent** to run a new **Race Championship** in the following year must be submitted to the **ASN**. Any new **Championship** must have guaranteed support for a minimum of three years ('the **Term**')(see 1.7 below). Any **Notice of Intent** application received after 1 August deadline will be refused.

1.2.2 1st October: Date by which a **Notice of Intent** to run or continue to run a **Race racing Championship** in the following year must be registered with the **ASN**. For an existing **Championship** a list of the number of starters at each round held in the current year and the year previous to the year of application must also be submitted.

1.2.3 Except for a **Winter Championship** run to the same regulations as a current main **Championship** and which is required to submit its regulations a minimum of 6 weeks prior to the first round any **Notice of Intent** received after 1st October will only be considered by the **Motor Racing Championship Control Panel** in exceptional circumstances and will be subject to a late submission fee of 100% of the **Championship Permit Fee**. Any **Notice of Intent** received on or after 1st January of the following year will be refused.

- 1.2.416 Any **Club** whose **Championship** has either ceased to run or has failed to commence will be required to submit a complete new application if approval is sought in any subsequent years.
- 1.34 Any major changes in a **Championship** must be notified to the **ASN** with the **Notice of Intent**.
- 1.74 Any new **Championship** or any fundamental change to an existing **Championship** (such as a new class or classes) conflicting with an existing registered **Championship** will need to demonstrate **should provide justification** to the **Motor Racing Championship Control Panel** that inclusion of the **Championship** or any fundamental change to an existing **Championship** will not detrimentally affect the safe fair or orderly conduct of motor sport.
- 1.5 The **Motor Racing Championship Control Panel** will be invited to discuss and may recommend to the **ASN** any **Championship** submitted and may delegate to a **Working Group** any unresolved queries. For the avoidance of doubt the ultimate decision to grant any **Permit** rests with the **ASN**.
- 1.86 Any applicant dissatisfied with a decision of the **Motor Racing Championship Control Panel** shall be entitled to request a review of the decision to be undertaken by the **Senior Chair** of the **National Court** or in the event that person is not available then by an alternate **Chair** nominated by the **Senior Chair** and whose decision shall be final. Such a request must be made in accordance with **Chapter 2 App.7** and must be received by the **ASN** within 14 days of written notification of the **Control Panel** decision together with the appropriate fee per **Chapter 1 App.2**.
- ~~1.9 In respect of all proposed new **Race Championship** applications a **Notice of Intent** must be submitted to the **ASN** in accordance with **Arts.1.2** or **1.3** above. Any new **Championship** must have guaranteed support for a minimum of three years ('the **Term**'). Any **Notice of Intent** application received after 1 August deadline will be refused.~~
- 1.710 If the Motor Racing Championship Control Panel agrees in principle with an application for a new Championship then the ASN will require a Commitment Guarantee Agreement to be executed and delivered in a form satisfactory to the ASN:
- (a) for any new A or B Grade Championships; and
 - (b) for any new C or D grade Race Championship where the Championship has not previously been run as a Series during the previous year, to demonstrate Competitor support and justify Championship status

- ~~1.811~~ The Commitment Guarantee Agreement (**Art.1.710 above**) must be executed by the **Recognised Club** proposing the new **Championship** and where applicable by the **Commercial** entity proposing the **Championship** through that **Recognised Club** in which case the Commitment Guarantee shall be joint and several.
- ~~1.912~~ The Commitment Guarantee Agreement will mandate that if the **Recognised Club** fails to seek a **Championship Permit** renewal by submission of a **Notice of Intent** and or making a **Permit Application** for the second and or third successive years then the **Guarantor(s)** must pay to the **ASN** the relevant sum specified in **Chapter 1 App.2** ('the **Default Sum**').
- ~~1.103~~—The **Default Sum** shall be paid on demand in writing by the **ASN** accompanied by taxable invoice.
- 1.114** All issued and pending **Championship Permits** of the relevant **Recognised Club** shall be suspended until the **Default Sum** has been paid to the **ASN** or has been provided for to its satisfaction. ~~1.15~~—All **Default Sums** forfeit to the **ASN** shall be used for the provision of prizes or for training or donation to a **Registered Charity** nominated by the **Board** of the **ASN**.
- ~~1.16~~—Any **Club** whose **Championship** has either ceased to run or has failed to commence will be required to submit a complete new application if approval is sought in any subsequent years.
- ~~1.127~~ To maintain **Championship** status the minimum average number of starters during the current and previous year in a Grade A B C or D **Championship** should be 10. For **Truck Racing** and **Junior Car Race Championships** the average minimum number of starters should be 12.
- ~~1.138~~ For a **Championship** failing to meet the minimum numbers:
i. in the previous year will be issued with a warning.
ii. for a second consecutive year the **Championship** may lose its status including ability to use the term **Championship** but may run as a Series only with the approval of the **ASN**.
- ~~1.149~~—For the avoidance of doubt **Art.1.2.416** of this Appendix applies in the case of any **Championship** that is subject of **Art.1.138.ii**.
- ~~1.1520~~ The **ASN** in its discretion may agree a dispensation for a (single) **Venue Specific Championship** which does not meet the provisions of **Art.1.127** but this dispensation will be reviewed on an annual basis.

~~1.1621~~ Any mixed discipline **Championship** in which more than three **Events** are **Car Races** will also be required to submit a **Car Racing Championship Permit Application** in addition to any other necessary applications

1.617 1st February: Date by which formal application and final details for a **Racing Championship** must be submitted to the **ASN**. A surcharge of 50% of the relevant fee will be incurred (a minimum of £100 or £50 for a **Club Championship**). No applications will be accepted after this date and outstanding incomplete applications will lapse.

Date of Implementation: 1st January 2026

Reason: Clarification.
