

MOTORSPORT UK
OUR TEAMS & HOW TO GET IN TOUCH

Motorsport UK exists to make motorsport safe, fair and fun, and to help more people enjoy it, more often.

If you have a general question, are unsure where to direct an enquiry, or are getting in touch for the first time, **your first port of call is as follows:**

01753 765000

hello@motorsportuk.org

For more specific enquiries, the next page provides an overview of Motorsport UK and how we're structured.

The following pages then list **individual teams and their contact details**, so you can reach the right people quickly and easily. We're here to help, and we look forward to hearing from you.

COMMERCIAL, EVENTS & CREATIVE

01753 765000

commercial@motorsportuk.org
events@motorsportuk.org

The **Commercial & Events team** leads Motorsport UK’s major championships and partnerships, including the British Grand Prix, British Formula 4, British Rally Championship and British Karting Championship. They drive commercial growth and deliver world-class events that showcase the very best of British motorsport. Working alongside them, the **Creative team** leads marketing promotion and communications activity to raise awareness of the sport and engage audiences. Together, these teams combine their expertise to promote motorsport from grassroots to grandstand.

BUSINESS SERVICES

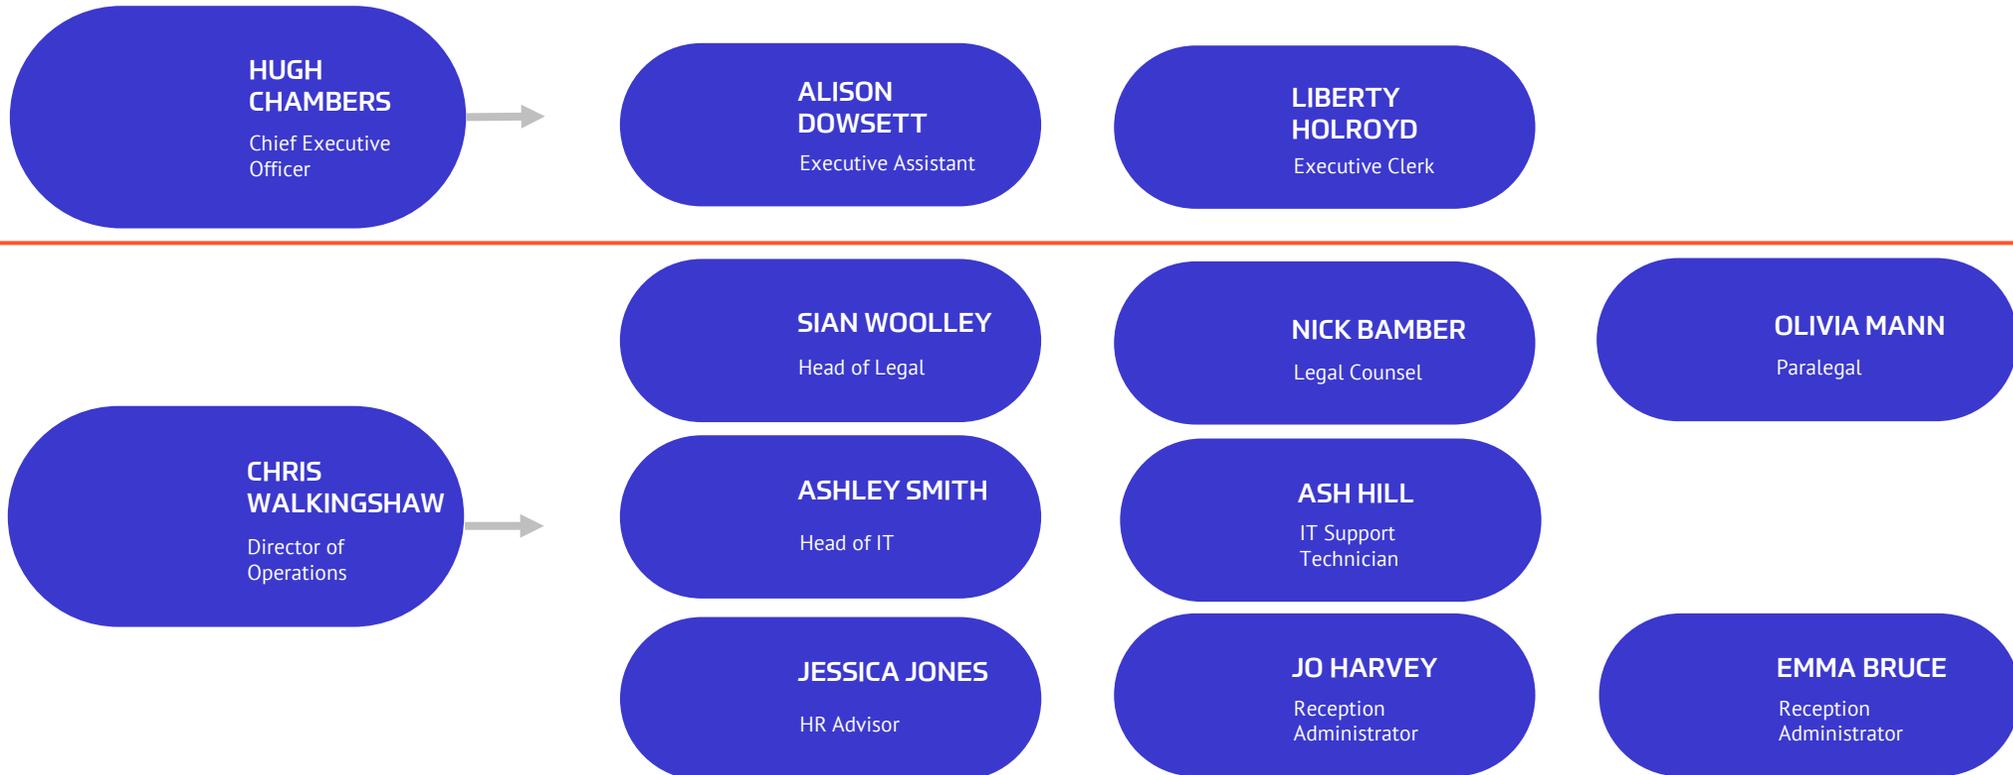

01753 765000

hello@motorsportuk.org

Business Services brings together the **Executive Office, HR, Operations** and **Legal** to keep Motorsport UK and the community aligned, supported and moving forward. The team oversees governance and committees, supports our people and day-to-day operations, and provides regulatory compliance and legal advice to ensure the organisation and the sport operates responsibly and effectively. Together, they provide the foundations that enable Motorsport UK to perform with confidence and integrity..

BUSINESS SERVICES

(CONTINUED)

01753 765000

hello@motorsportuk.org

Building on Business Services, **Finance and Insurance** safeguard the stability and long-term sustainability of motorsport. The team oversees financial management, insurance and risk, while providing insight and data that support informed decision-making across the organisation. Together, they help ensure the sport is well-managed, resilient and positioned for the future.
