

UK Safety Cage Homologations

This document is to be used by scrutineers or customers searching for a safety cage homologation certificate to match the vehicle's homologated roll cage. The table below is to help locate the safety cage homologation number. Scrutineers can obtain a copy of the document by contacting Technical@motorsportuk.org. Customers should contact Sales@motorsportuk.org to purchase a copy. Please may we remind all customers with a homologated cage to always retain an original physical copy with the vehicle.
